

# Camp Fire “Family” Stories

**TDC**  
LIFE ACADEMY

Stories are the fabric that weaves together the past, present, and future; linking one generation to another. Family stories are essential for effective families. Sharing stories can be mutually beneficial for the one telling the stories and the one receiving them; and can result in improving and strengthening family relationships.

Set a regular time, such as around the nightly dinner table, or maybe weekly family dinners to share family stories. Use the questions below as prompts for conversation starters. Have fun with it!
